

Dance Floor Rental

Our indoor dance floor rentals are solid cherry plank, versatile, attractive and stable. Each wood dance floor section is 3' x 3' and installed using a 4" silver edging around the perimeter. Any 3' x 3' combination of dance floor sections that form a square or rectangle are allowed. Must be used indoors ONLY!

Dance floor is priced @ \$2 per sq. foot

You can calculate it by measuring:

(1) Length x Width = SF (2) SF x \$2.00 = Rental fee

Please call for delivery pricing if needed.

Capacity	Size	Rental Fee
19 dancers at a time	12 x 12 dance floor (16 sections)	\$288
25 dancers at a time	12 x 15 dance floor (20 sections)	\$360
31 dancers at a time	15 x 15 dance floor (25 sections)	\$450
38 dancers at a time	15 x 18 dance floor (30 sections)	\$540
44 dancers at a time	18 x 18 dance floor (36 sections)	\$648

- A reliable rule of thumb is that no more than 50% of your guests will dance at one time.
- You will need 9 square feet, (or one 3'x3' section,) of dance floor for each dancing couple.
- Floor comes in 3' square sections and can be combined in different configurations to suit your needs.
